Book FMF 2008 NOW!

Mark your calendars
and book your space!

Details and applica-
tion form for exhibit
space are online.
Space in Toronto will
be limited so please
don't delay.

This has been an incredibly hectic winter and you may have missed my previous message regarding satellite symposia at FMF 2008. **This is a reminder that the deadline for satellite abstract submission is MARCH 15TH.**

The [Call for Satellites](#) at Family Medicine Forum 2008 is online at www.cfpc.ca/fmf. The document begins with the guidelines and the online application button appears at the bottom of that form. It's quite easy to complete and we don't need too much information right now. Once the scientific committee has reviewed and accepted the applications I will advise you and we will then begin to work on the details and implementation logistics.

I will be on vacation until March 24th. If you have questions that need immediate attention please contact Cheryl Selig, Meetings Manager, at cs@cfpc.ca

Best regards,

How many attendees can I expect to attend my satellite workshop?

In 2007 attendance ranged from 30—70 in the morning and evening sessions and between 80 and 175 at lunch.

Does my company have to exhibit?

Yes. You must book at least on 8' x 10' space. This is not included in the symposium fee.

Do you still have exhibit space?

More than 135 of the available 181 booths have already been sold. If you have not yet booked please download the [application form](#) and the [floor plan](#) to select your top 5 choices and fax the completed form together with your preference list to my assistant, Tamara Harry at 905-629-0893.

QUESTIONS? SUGGESTIONS?
