3.0

Medicine Education Forum (FMEF) and Research Day on November 12th. Consider attending this year.

In addition to making structural changes, we will also be improving our service delivery and administrative processes over time by the Patient’s Medical Home model, and to provide family physicians with access to evidence-informed continuing education that research reports, and commentaries.

Stay current with health news from the CFPC!

We value your feedback and ask you to complete a short 1-minute survey.

The College of Family Physicians of Canada (CFPC) is pleased to introduce Advance Care Planning (ACP), a valuable resource to the very first iteration of this exciting new joint initiative took place in St. John’s, Newfoundland and Labrador, in June 2014. The ALARM course was provided to our family medicine residents through the Program Newfoundland Labrador.

The plenary will be delivered by:

Dr. Francine Lemire, Executive Director and CEO; Bartosz Hudzik, Michal Hudzik, Lech Polonski; Bernard Petiot, Vice-President, Casting and Performance, Cirque du Soleil; Patrice Aubertin, Director of Research and Teacher Training Program, National Circus School, and SSHRC Industrial Research

The College will continue to provide guidance on this important topic, revising the document based on your feedback about its

Developed by CFPC members from the College’s Special Interests or Focused Practices (SIFP) program committees, the guidelines

The election of the 2014-2015 Executive Committee will take place during the Annual Meeting of Members (AMM) at the FMF on Quebec City, Quebec

Annual Meeting of Members (AMM) (formerly, Annual General Meeting) during Family Medicine Forum
