

Mainpro+® CPD Report 2019–2020

How are your peers earning continuing professional development (CPD) credits? We've analyzed Mainpro+ data to report the most popular types of activities, uptake of College of Family Physicians of Canada (CFPC) programs, and more to provide a snapshot of what Mainpro+ participants are doing across the

country. The data refer to the period of July 1, 2019, through June 30, 2020, unless otherwise stated.

Note: Due to the COVID-19 pandemic, annual CPD credit requirements were waived for the 2019–2020 cycle year. All cycles were extended for one year. Therefore, no cycles ended on June 30, 2020.

Total number of Mainpro+ participants reporting credits: **40,575**

Total number of participants in the 2015–2021 cycle cohort: **6,409**

Total number of credits submitted between July 1, 2019, and June 30, 2020: **1,460,479**.

This is an average of 36 credits (certified and non-certified) per member.
