

CURRICULUM VITAE
MICHAEL E. GREEN, BSc, MD, MPH, CCFP, FCFP, FCAHS

Clinical and General Academic Office
Department of Family Medicine and Queen's Family Health Team
115 Clarence Street, Kingston, Ontario, CANADA, K7L 5N6

Health Services and Policy Research Institute, Abramsky Hall, 3rd Floor
21 Arch Street, Kingston, Ontario, CANADA, K7L 2N6

Qualifications

Fellow of the Canadian Academy of Health Sciences, Sept. 2018
Fellow of the College of Family Physicians of Canada, Nov. 2011
Certificant of the College of Family Physicians of Canada, June 1995, Memb. # 208787.
Licenciate of the Medical Council of Canada: Jan. 1995, Licenciate # 77722
Diplomate of the National Board of Medical Examiners (USA), May 1994, Cert. # 424583
College of Physicians and Surgeons of Ontario, Certificate of Registration # 69537
Advanced Trauma Life Support – Re-certified Nov. 2006
Advanced Cardiac Life Support – Re-certified Dec. 2006
Advances in Labour and Risk Management – Re-certified April 2000
MORE-OB 2004-2013
Neonatal Resuscitation Program Provider – Re-certified Oct. 2005

Academic Appointments

July 1, 2017 – present: Full Professor (with tenure), Departments of Family Medicine and Public Health Sciences, Queen's University Kingston, Ontario.

February 2019 – present: Professor, Policy Studies, Queen's University, Kingston, Ontario.

July 1, 2017 – present: Head, Department of Family Medicine, Queen's University, Kingston, Ontario.

July 1, 2017 – present: Brian Hennen Chair in Family Medicine

November 2017-present: Senior Adjunct Scientist, Institute for Clinical Evaluative Sciences

July 1 2003-present: Member, Centre for Studies in Primary Care, Queen's University

July 1, 2018 – present: Member, Health Services and Policy Research Institute, Queen's University, Kingston, Ontario.

July 1, 2003 – June 2018: Core Faculty, Centre for Health Services and Policy Research, Queen's University, Kingston, Ontario.

July 1, 2009 – June 30, 2017: Associate Professor, Departments of Family Medicine and Public Health Sciences, Queen's University, Kingston, Ontario. Tenure granted 2014.

July 2018 – March 2020: Interim Director, Health Sciences and Policy Research Institute, Queen's University, Kingston, Ontario.

July 2013-June 2018: Director, Centre for Health Services and Policy Research, Queen's University

July – Dec 2016: Acting Site Director, ICES Queen's

Jan 2010-June 2013: Acting Director, Centre for Health Services and Policy Research, Queen's University.

Jan 2009 – June 2017 Associate Director of Research, Dept. of Family Medicine and Centre for Studies in Primary Care, Queen's University.

Nov 2014 – June 30, 2017: Clinical Teacher's Association of Queen's University (CTAQ) Chair in Applied Health Policy and Health Economics

Sept 2009-November 2017: Adjunct Scientist, Institute for Clinical Evaluative Sciences

July 2001 – June 1028: Program co-ordinator, Third Year Residency Program in Aboriginal Health, Dept. of Family Medicine, Queen's University.

July 2007 – March 2009: Program Director, Enhanced Skills Programs, Dept. of Family Medicine, Queen's University.

July 1, 2003 – June 30, 2009: Assistant Professor, Depts. of Family Medicine and Community Health and Epidemiology, Queen's University, Kingston, Ontario

June 2000 – June 2003: Lecturer, Department of Family Medicine, Faculty of Medicine, Queen's University; Preceptor, Northern Ontario Medical Education Corporation, Sudbury, Ontario; Preceptor, University of Toronto, Dept. of Family and Community Medicine.

Aug. 1, 1995 –June 2000: Instructor, Department of Family Medicine, Faculty of Medicine, Queen's University, Kingston, Ontario; Preceptor, Northern Ontario Medical Education Corporation, Sudbury, Ontario

Work Experience

July 1, 2017 – present: Head, Department of Family Medicine, Kingston Health Sciences Centre, Kingston, Ontario.

July 1, 2017 – present: Head, Department of Family Medicine, Providence Care Hospital, Kingston, Ontario.

July 1, 2003 - present: Geographic full time academic family physician, Dept. of Family Medicine and Queen's Family Health Team, Queen's University, Kingston, Ont.

June 2003 to Oct 2014: Consultant Zone Medical Officer, Health Canada, First Nations and Inuit Health Branch, Ontario Region. Supervision of public health programs operated on reserve, program evaluation and development, and policy reviews in the Moose Factory and South Zones of Ontario Region and selected policy and program development and evaluation projects region wide.

June 1999 – June 2003: Chief of Staff, Weeneebayko General Hospital.

Sept. 22, 1997 – May 1999: Director of Family Medicine, Queen's University Weeneebayko Program. Department Head, Family Medicine, Weeneebayko General Hospital.

Aug. 1, 1995 – June 2003: Family Physician, Queen's University Weeneebayko Program

July 2003- Oct 2014: **Locum Tenens**, Weeneebayko Health Ahtuskaywin/Weeneebayko Area Health Authority (short term fill-ins)

May 2005: Locum Tenens Geraldton District Hospital, Geraldton (emergency fill in during staffing crisis).

Jan/Feb. 2000: Locum Tenens, Little Current Medical Associates, Little Current, Ontario.

Jan. 1999: Locum Tenens, REACH Community Health Centre

Nov. 6-15, 1998: **Locum Tenens**, Medical Services Branch, Health Canada, Sioux Lookout Zone, Sioux Lookout Zone Hospital, Sioux Lookout, Ontario

May15-16, August 21-23, 1996: Locum Tenens, City of Vancouver Health Department, Downtown Community Health Centre

July 13 - July 26, 1995: Locum Tenens, Drs. K. Pettapiece and M. Archdekin, Chemainus Medical Clinic, Chemainus, B.C.

Education

2000 - 2002: Master of Public Health Program, Department of Health Policy and Management, The Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland, USA. Master of Public Health (MPH) degree awarded 2003.

1996: 5 Weekend National Family Medicine Fellowship Program, Department of Family and Community Medicine, Faculty of Medicine, University of Toronto. Part-time post-graduate fellowship in Academic Family Medicine. Fellowship completed Oct. 1996.

1993 - 1995: Family Medicine Residency, Discipline of Family Medicine, Memorial University of Newfoundland. CCFP awarded June 26, 1995.

1989 - 1993: Faculty of Medicine, University of British Columbia, Vancouver, B.C. Doctor of Medicine degree awarded May 1993.

1986 - 1989: Department of Biological Sciences, Faculty of Science, Simon Fraser University, Burnaby, B.C. Bachelor of Science degree awarded May 1990.

1984 - 1986: Sir Winston Churchill Secondary, Vancouver, B.C. B.C. Secondary Graduation with Honours and International Baccalaureate Diploma awarded June 1986.

Awards and Recognitions

Professional Recognitions

2018: Fellowship (FCAHS) Canadian Academy of Health Sciences

2005: Fellowship (FCFP) designation, College of Family Physicians of Canada

2003: Elected to Delta Omega Honorary Public Health Society, Alpha Chapter (John's Hopkins)

Paper/Conference Awards

See Publication List for Citations

American Society for Reproductive Medicine and Fertility Preservation Interest Group, Awarded September 2017 for Velez, Baxter, Rodriguez, Lajkosz, Korkidakis, Green. Prize Paper of the Year "Hematological Cancers in Young Women and Subsequent Infertility Diagnosis: A Population-Based Cohort Study"

College of Family Physicians of Canada Outstanding Family Medicine Research Article of the Year (2015 paper, any journal), Awarded Nov 2016 for Harris, Green et al. Health Policy 2015.
Sir Richard Peto Prize for best Conference Abstract, 2nd annual Kings College/Oxford International Health Conference, London, England, June 2016.
Highly Commended Abstract (top 5), Health Services Research Association of Australia and New Zealand Annual Meeting, Melbourne Australia, Dec 2015.

Funded Research Projects

\$42.4 M Total (\$16.9M as PI/co-PI and \$25.5M as CoI)

Principal Investigator

Marshall E, Breton M, **Green ME (Co-PI)**, Isenor J, Mathews M, Edwards L, Andrew M, Ashcroft R, Bayoumi I, Bishop A, Bowles S, Burge F, Christian E, Cossette B, Dahrouge S, D'Entremont-Macvicar E, Dolovich L, Duhoux A, Gibson R, Grant A, Guénette L, Harris M, Kiran T, Lawson B, Lenskjold A, MacKenzie A, Martin-Misener R, McCarthy L, McDougall E, McKay M, Morrison B, Murphy A, Sampalli T, Smithman M, et al. PUPPY Study - Problems Coordinating and Accessing Primary Care for Attached and Unattached Patients Exacerbated During the COVID-19 Pandemic Year: A Longitudinal Mixed Methods Study with Rapid Reporting and Planning for the Road Ahead. CIHR Operating Grant – COVID-19 Rapid Research Funding Opportunity, 2020-2021. \$407,552.00.

Crowshoe L (NPI), **Green ME (Co-PI)**, First Nation-Led Integrated Primary Care Coordination for COVID19 Testing, Isolation, and Tracking. Co-Rig Program Phase 1, FAFM & CMA. July 2020. \$200,000.

Green ME (PI), OSSU/Western University Funding – Trillium Research Day. University of Western Ontario (London) Research Contract. Jan-Dec 2020. \$35,000.

Teaching Experience

Post Graduate Medical Trainees

Course coordinator/instructor: 5 Weekend Family Medicine Research Program, Queen's University 2005. 5 weekend research training course for family physicians in practice interested in developing research skills. Included modules on formulating research questions, literature review, building research teams, quantitative methods, qualitative methods, grant writing and budgeting.

Journal Club Supervisor – Dept of Family Medicine – 2008-2018

Research Training for all Family Medicine Residents 2009-2018 (3 ½ day sessions per cohort)

Dept. of Family Medicine Resident seminar series presentations on Aboriginal Health on an ongoing basis (3x per year each year) July 2003-2007 Antenatal and Post-Partum care Nov. 2006-2014, Intrapartum Care July 2003-June 2007, and Family Systems, July 2003-Aug 2006.

Guidelines: Resident examination review day 2011-present.

Aboriginal Health Seminar, Resident Global Health Day 2014.

Seminar on Developing Cultural Competency, Resident Core Teaching Day Jan 14, 2008.

Neonatal Resuscitation Program instructor 2007-present. (2-3 times per year).

Clinical Supervision of Residents in Clinic on an ongoing basis (3 ½ days per week) since July 2003.

Queen's University Weeneebayko Program: Clinical supervision of residents on a regular basis from Aug 1995-June 2003.

Graduate Students

MPA School of Policy Studies, Queen's University. Health and Public Policy in Canada course: Lecture on addressing the needs of the elderly in the community. October 2018.

Epidemiology 803 (Health Policy): Lecture on current issues in Aboriginal Health. (For Master's Students in the MSc program in Community Health and Epidemiology) 2005- 2008.

MPH Health Policy Course: Lecture on Aboriginal Health Issues: 2012, 2013

MPH Global Health Course (Epid 829): Lectures on Introduction to the Canadian Healthcare System 2013, and Aboriginal Health. 2013, 2014

MPH Program Epid 827 Mock Board of Health Presentations. “Board member”/examiner. 2014, 2015.

Thesis proposal reviews, MSc.and PhD Candidates Dept of Community Health and Epidemiology/Public Health Sciences – 2006 to present.

Thesis examiner: MSc candidates: Dept of CHE/PHS and School of Kinesiology and Health Studies 2008-present.

Comprehensive Exam Committee Member PhD Candidate Caitlin Mason, School of Kinesiology and Health Studies, 2006/07.

Primary Supervisor:

Christina Michalchuck-Lucas, MPA. “Suicide Intervention and Prevention in Nunavut: Is there an effective approach currently and to what extent have southern Canadian models of suicide intervention and prevention worked?” 2007/08.

AJ Kadjim, MSc, “Validation studies of an electronic health records based chronic disease surveillance system”. 2010-2012

Michelle Dimitris, MSc, “Interprofessional team collaborations in Family Health Teams”, 2010-2012.

Jatinderpreet Singh, MSc, “Enrollment status and access to care in patient enrollment models of primary care in Ontario. 2013-present.

Morgan Slater, Post Doc Fellow. ‘Reducing the burden of diabetes on First Nations people in Ontario: using population level data to inform policy and practice’. 2018 – ongoing.

Primary Co-Supervisor:

Jeff Dixon, MSc Epidemiology, “Impacts of Team-based Primary Care on Healthcare Access and Utilization Indicators for Ontario Adults with Developmental Disabilities”, 2014-Dec 2015

Colleen Savage, PhD Epidemiology. “Impact of Depression on Co-morbid Diabetes in Primary Care” 2010-April 2017.

Co-supervisor:

Glenys Smith MSc Epidemiology: Jan 2015-July 2016. Use of periodic health exams in Adults with Intellectual and Developmental Disabilities in Ontario.

Christine Knott Post-doctoral fellow. Wait times for home based rehabilitation therapy in Ontario.

Undergraduate

Critical Inquiry Tutor 2014-present.

Phase IIB Problem Based Learning Tutor Sept. 2003 and 2004

Phase IIB Community Health and Epidemiology Critical Appraisal Small Groups Tutor Oct 2003 - 2010. Primary faculty (responsible for module) for diagnostic tests session. Course Director 2009.

Critical Inquiry Group Leader (2nd Year) 2014-present.

Phase IIA Undergraduate Lecture on the Queen's University Weeneebayko Program in Moose Factory/Aboriginal Health (annual lecture), 2004-2006

Lecture on Aboriginal Health Issues in Canada, 2007- 2009

Phase T3 Population Health: Aboriginal Health Session 2010

1st Year Population Health – Indigenous Health Sessions 2016-present. Health Policy Session 2019.

2nd Year Population Health –Aboriginal Health Session 2011-15

2nd Year Population Health – Introduction to Health Economics and Policy 2013

4th Year Population Health Review Course: Special Populations lecture 2013

School of Policy Studies/Union College Summer Program on the Canadian Health Care System: 2008-2013.

Supervision of Student/Resident Research Projects

Postgraduate Medical Trainees (Residents):

Dr. Sarah Wong, Family Medicine Summer 2019

Dr. Jatinderpreet Singh. Family Medicine 2017-2018. The Impact of the Adoption of a Patient Rostering Model on Primary Care Access and Continuity of Care.

Dr. Ryan Shields. Family Medicine 2014-2016. Pedometer Use in Pulmonary Rehabilitation for COPD: A Critical Appraisal of the Literature.

Rebecca Van Iersel “Response of Physicians in a non-fee for service environment to acute increases in demand due to physician shortages.” 2005.

Other Undergraduate Students

Elyse Gadallah. Experiences of indigenous patients with Health Professionals. 2014.

Languages

Languages: Native tongue - English. Good written and spoken Spanish. Fair written and spoken French.

Professional Memberships

Member, Association of Canadian Chairs of Family Medicine Executive Committee. The College of Family Physicians of Canada. January 2020 – present.

Canadian Academy of Health Sciences Inducted September 2018.

College of Family Physicians of Canada Member July 1995 - present.
Section of Teachers Member Aug. 1995- present.
Section of Researchers Member Sept 2003-present.
Associate Member June 1993-June 1995.

World Organisation of National Colleges And Academies of General Practice (WONCA) Member 1996 to present.

North American Primary Care Research Group (NAPCRG) Member Oct. 2003 to present

Canadian Association for Health Services and Policy Research (CaHSPR) Member Nov. 2003 to present

Canadian Public Health Member Sept. 1993 to present.

Canadian Society for International Health Member Sept. 1993 to present.
IHEP grant recipient 1992.

Canadian Medical Assoc. Member June 1994 - present.

Ontario Medical Assoc. Member Sept. 1995 - present.

Society of Rural Physicians of Canada Member March 1998 – present.

Medical Student and Alumni Centre Society
University of British Columbia

Member Feb 2001 – present.

Centre for Studies in Primary
Queen’s University

Member May 2002 – present

Delta Omega Honorary Public Health Society
Alpha Chapter (Johns Hopkins)

Inducted May 2003 (Life Member)

Professional Activities

Primary Care Policy Related Activities

Member, Ontario Ministry of Health Ontario Health Teams Evaluation Working Group Oct 2020-present.

Member, Ontario Ministry of Health Ontario Health Teams Supports Central Coordination Committee. June 2020-present.

Member, Ministry of Health Provincial Primary Care Advisory Table – COVID 19. April 2020-present

Member (Ontario Health East), Ontario Provincial Primary Care Advisory Table – COVID-19. April 2020-present.

Primary Care Lead and Chair Primary Care Advisory Table, COVID-19, Ontario Health SE Cluster. April 2020-present.

Chair, KFL&A Primary Care Table – COVID 19. April 2020-present.

Member, Frontenac Lennox and Addington Ontario Health Team Steering Committee June 2020-present.

Founding Member, Frontenac Lennox and Addington Primary Care Alliance Interm Board Nov 2020-present

Member Primary Care Working Group. Premier’s Council on Improving Health Care and Ending Hallway Medicine. November 2018- September 2019.

Member (Ontario/Section of Researchers Delegate) College of Family Physicians of Canada Patient Centred Medical Home Steering Committee. Jan 2014-November 2019.

Member Section of Researchers Council. College of Family Physicians Canada. November 2019 – present.

Member, Ontario College of Family Physicians Patients Medical Home Steering Committee. April 2017-present.

Member, Advisory Committee on Ontario's Immunization System Review, Public Health Ontario. June 2012-Nov 2013.

Member Health Quality Ontario Advisory Committee on Primary Health Care. 2011-June 2013

Steering Committee Member and Evaluation Working Group Lead, Family Health Teams Quality Management Collective, Ontario Ministry of Health and Long Term Care, May 2007-May 2010.

Member Healthforce Ontario Working Group on Emergency Department Staffing May-Aug 2008.

Participant and Expert Reviewer Citizens' Brief, McMaster Health Forum Stakeholder Dialogue on Achieving Access to and Excellence in the Patient's Medical Home Model in Ontario. Jan/March 2016.

Invited expert participant Ontario Medical Association-Health Quality Ontario Best Path Transitions of Care consultation, May 1 2012.

Invited expert participant Ontario Medical Association-Ontario Hospital Association session on admitting privileges for nurse practitioners. June 2012.

Member, Ontario Family Practice/Primary Care Wait Times Expert Panel, Ontario Ministry of Health and Long Term Care, May - Dec 2006.

Participant, Conference Board of Canada/MoHLTC/OMA Expert Panel on Physician Remuneration Models, May 2008.

Member, External Review Committee, Rural and Remote Health Innovations Programme, Health Canada, 2000.

Indigenous Health Related Activities

Member, Nishnabwe-Aski Nation (NAN) Health Human Resources Working Group – Physician Services Oct 2020-present.

Member (for Queen's University) AFMC Indigenous Health Education Network. 2017-present.

Member (for Queen's University) Council of Ontario Faculties of Medicine Truth and Reconciliation Working Group (TRC-COFM) 2016-November 2019.

Member, College of Family Physicians of Canada Indigenous Health Working Group, April 2012-May 2019.

Member, Expert Panel Writing Group on Indigenous Health: Canadian Diabetes Association Guidelines 2017 Update. July 2016-May 2019.

Chair Faculty of Health Sciences Task Force on Recommendations of the Truth and Reconciliation Commission. April 2016-May 2017.

Faculty of Health Sciences Representative, Provost's Task Force on the Truth and Reconciliation Commission April-June 2016.

Member (Queen's University Delegate/CFPC Delegate) Indigenous Physicians Association of Canada (IPAC) –Association of Faculties of Medicine of Canada (AFMC) Indigenous Health Education Working Group, Aug 2008 – 2011.

Member (College of Family Physicians of Canada delegate), Project Advisory Committee, First Nations, Inuit and Metis Health Curriculum Development for PGME &CME Project of the Indigenous Physicians Association of Canada (IPAC) and the Royal College of Physicians and Surgeons of Canada (RCPSC). 2006-2008.

Delegate (College of Family Physicians of Canada), IPAC-AFMC Indigenous Health Curriculum Implementation Tool Kit Workshop, April 2008.

Queen's School of Medicine Delegate, CAME Special Interest Group on Indigenous Health Education. 2012-present.

Faculty of Health Sciences Representative, Aboriginal Council of Queen's University, Sept. 2003 to 2009.

Faculty of Health Sciences Representative (Dean's Delegate), Vision 2020 Symposium, Brantford Ontario, Sept. 2004.

Faculty of Health Sciences Representative (Dean's Delegate), AFMC Workshop on Admissions and Support of Aboriginal Students in Medicine, Vancouver, June 2005.

Jordan's Principle External Independent Review re: Walpole Island. FNIH Indigenous Services Canada Sept 2018-March 2019.

Member, External Expert Advisory Review Panel: Health Service Delivery Model for Rural and Isolated communities project, FNIH - Health Canada 2012.

Member (for Health Canada), Weeneebayko Health Integration Initiative Working Group on Public Health, 2006.

Member, Council of Medical Officers in Public Health, First Nations and Inuit Health, Health Canada, 2006-2014

Chair, Pharmacy and Therapeutics Committee, First Nations and Inuit Health Branch, Ontario Region, Jan 2005-2014

Clinically Related Advisory Panels

Member, HQO Type 2 Diabetes Quality Standard Advisory Committee. December 2018 – December 2019.

Member, Obesity Canada, Clinical Guidelines. November 2019-present

Member, Diabetes Canada, Clinical Practice Guideline Working Group: Type 2 Diabetes and Indigenous Peoples. 2018.

Member, Professional Education Advisory Committee, Heart and Stroke Foundation of Ontario, March 2009-2013. Co-Chair Clinical Update 2013.

Member, Future Health Community Paramedicine Remote Patient Monitoring Program Clinical Advisory Committee, Sept 2014-present.

Member, Medical Advisory Committee for the Education Department of the Ontario Air Ambulance Base Hospital Program, Oct. 2002 to Sept. 2003.

Research Leadership and Volunteer Activities

Board Member, Associated Medical Services (AMS). May 2019-present.

Member, AMS Grants and Awards Committee, May 2019-present.

Ontario SPOR Support Unit Operations and Management Committee, Dec 2018-present.

Ontario SPOR Support Unit Indigenous Health Working Group Member 2015-present

Ontario SPOR Support Unit Masterclass on Patient Oriented Research Faculty (Indigenous Health Research) 2016-2017.

Member, Faculty of Health Sciences Dean's Action Table on Research, July 2020-present.

Chair, Faculty of Health Sciences Working Group on Establishment of an Institute for Health Services and Policy Research. Feb 2016-Dec 2018.

Chair, Faculty of Health Sciences Task Force on Health Services, Policy and Population Health Research, June 2014-Sept 2015.

Member, Kingston General Hospital Research Institute Advisory Council 2011-present.

Member, North American Primary Care Research Group Nominations and Governance Committee, May 2017-present.

Chair/Co-Chair, Health Services and Policy Research Centres Directors' Network, Feb 2010- May 2017.

Research Matrix Lead, Dept. of Family Medicine, Queen's University 2009-2017 (represented Queen's at National Research Directors Meetings).

Member, Dean's Advisory Committee on the Appointment of a Chair in Applied Health Economics and Policy, Queen's University 2013.

Member, Queen's University CFI Internal Review Committee 2019.

Chair, Clinical Teachers Association of Queen's University Endowment Fund Review Committee 2013-Present.

Member, Clinical Teachers Association of Queen's University Endowment Fund Review Committee, 2009-2012.

Member, SEAMO Innovation Fund Review Committee 2010 – present.

Member, SEAMO Clinician Scientist Program Committee, Jan 2011-present.

Member, Resident Research Awards Review Panel, Dept of Family Medicine 2008 - present.

Member, Canadian Primary Care Sentinel Surveillance Network (CPCSSN) Surveillance and Research Committee Jan 2009-present.

Member and acting chair CPCSSN Analytics Working Group Nov 2010-2012.

Member, Research Strategic Plan Working Group, Faculty of Health Sciences, Queen's University, Oct. 2003-May 2004.

Member, CIHR Health Research Training B – HP Review Committee, July 2016-present.

Member, CIHR Foundation Scheme Live Pilot Phase I Review Committee. Sept 2014.

Member, CIHR ABH (Aboriginal People's Health) Review Committee, Sept 2011-May 2013.

Invited Member, CIHR ABH (Aboriginal Peoples' Health) Review Committee, May 2011.

Member, CIHR Catalyst Grant: Primary and Community-based Healthcare Review Committee, Jan-March, 2010.

Member, CIHR Meetings, Planning and Dissemination Grants Program Review Committee, 2008, 2009, 2010.

Member, CIHR KAL (Knowledge into Action Phase II) Review Committee May 2008-Jan 2009.

Member, CIHR KAL (Knowledge into Action Phase II) Review Committee Sept 2007-Jan 2008.
