The CFPC seeks candidates for the 2021 Board nominations

Help us maintain a broad representation of members with a balance of skills, experience, and geographic diversity on our Board of Directors. We are seeking family physician candidates who possess some or all of these attributes:

- Holds a Certificate of Added Competence and has a focused practice
- Self-identifies as a member of a racialized community; at this time the CFPC has identified a particular need for the greater representation of Black family physicians among its leadership to reflect the diversity of our members and the populations they serve
- Practises in Atlantic Canada
- Practises in Quebec

The deadline to apply is March 31, 2021. Visit our web page to learn more about the application process.
