

The 2026 CFPC Member Renewal Survey

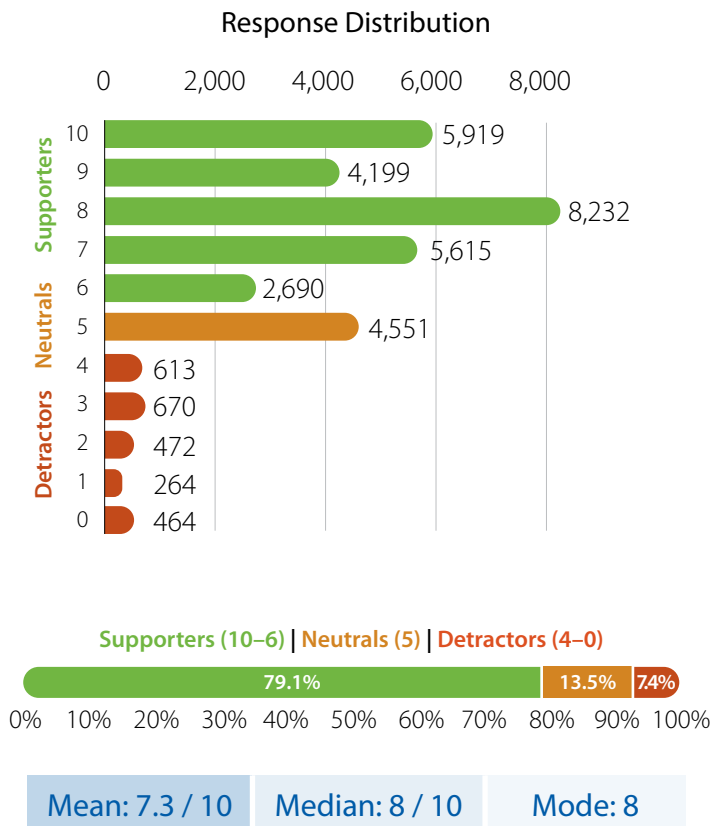

New this year, we asked four brief questions of Practising members when they paid their annual fees. Nearly 86 per cent of Practising members (almost 34,000) responded to the survey to date (August 12, 2026).

This is the largest member survey ever conducted by the CFPC.
Thank you for your engagement and for being a valued member.

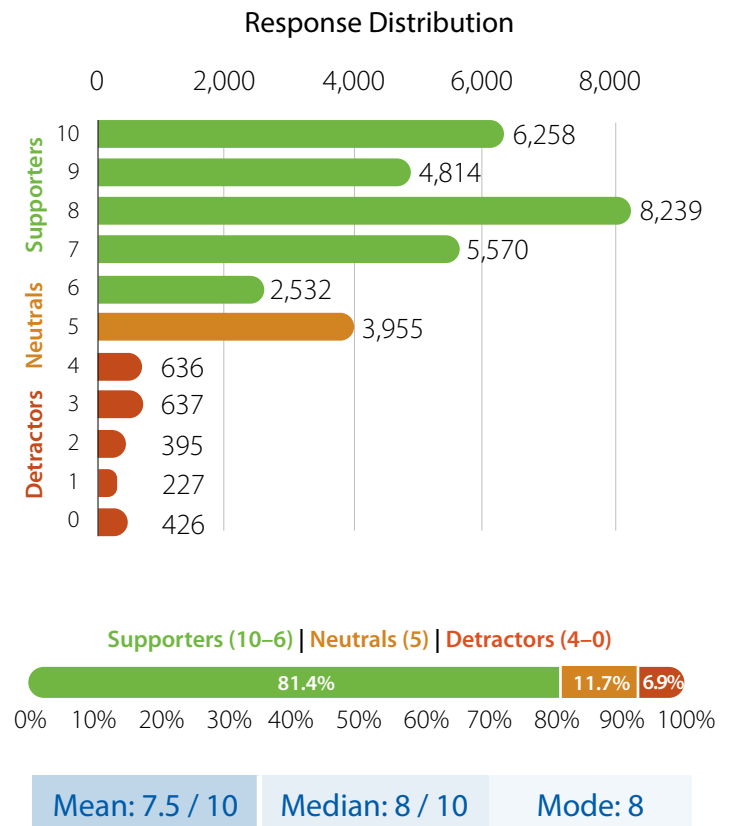

Championing family physician excellence

Question: Please rate the performance (0 = Poor, 10 = Excellent) of the CFPC in self regulation: championing family physician excellence through standards and accreditation for education and professional development.

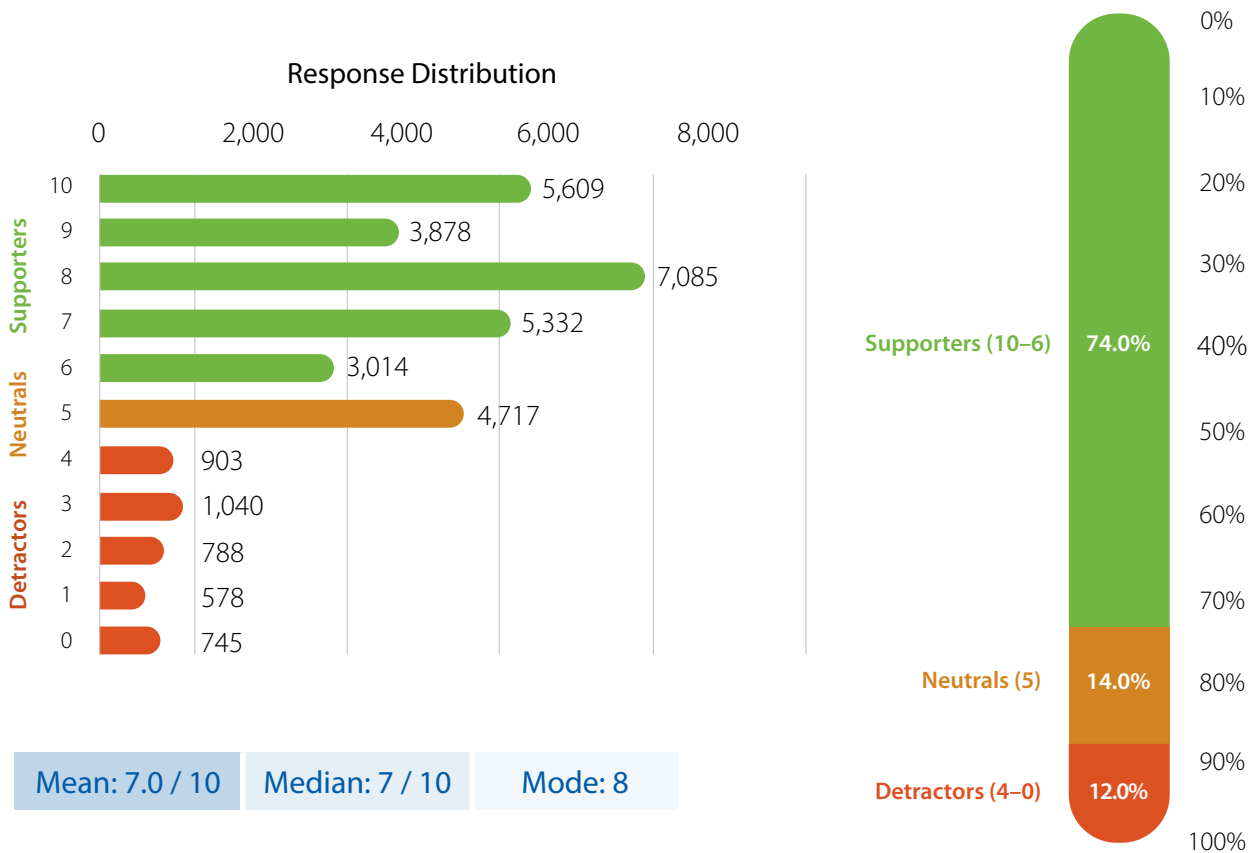

Clinical products and content

Question: Please rate the performance (0 = Poor, 10 = Excellent) of the CFPC in service to members like clinical content (e.g., Tools for Practice and *Canadian Family Physician*).

Question: Please rate the performance (0 = Poor, 10 = Excellent) of the CFPC in advocacy (e.g., championing the value of family physicians).

Question: What should the CFPC focus on in the next 12 months?
