

**Jennifer Hall, MD, CCFP, FCFP**

**Past President**

Rothesay, New Brunswick

**Dr Jennifer Hall** received her Masters of Science in Toxicology from Memorial University of Newfoundland (MUN) in 1987 and her medical degree in 1992. In 1994, she earned Certification in Family Medicine from the College of Family Physicians of Canada (CFPC), and she became a Fellow in 2005.

After beginning her career at MUN, she moved to New Brunswick and soon took on the role of Family Medicine Residency Program Director with Dalhousie University. Dr Hall continues her work with the university as Associate Dean, Dalhousie Medicine New Brunswick. She is also a preceptor to undergraduate medical students and residents at Dalhousie and MUN.

Dr Hall provided comprehensive family medicine in a community health centre with the Horizon Health Network, Saint John Zone, in 2002–2015. In the 1990s, she practised with the MUN Department of Family Medicine and worked as Clinical Chief of Palliative Medicine at the Health Care Corporation in St. John's, Newfoundland and Labrador. Currently, Dr Hall practises in a team-based practice with several family physicians, students, and residents.

For the past 12 years, Dr Hall has held many leadership roles with the CFPC. She has participated in numerous CFPC committees including the Accreditation Committee, the Red Book Accreditation Standards Revision Committee, and a number of residency program accreditation surveys. For 5 years, she served on the Board of the CFPC's New Brunswick Chapter representing continuing professional development interests. Dr Hall became a member of the CFPC's National Executive Committee in 2012 as Member-at-Large and subsequently served as Honorary Secretary-Treasurer in 2013–2014, Chair of the Board and President-Elect in 2014–2015, and CFPC President in 2015–2016.

In 1998, Dr Hall received MUN's Gus Rowe Teaching Award. In 2008, she received the CFPC's Award of Excellence, and in 2010 was acknowledged by the CFPC as the Family Physician of the Year for New Brunswick with the Reg L. Perkin Award.
