

I teach because...

It reminds me why I went into this profession

-John S. (Clearwater, BC)

[Latest blog](#)

[Are you interested in national leadership opportunities?](#)

In our [latest blog](#) on the *Canadian Family Physician* website, Drs. Clayton Dyck and Brent Kvern reflect on the global teaching experience.

Do you have an idea to share?

[Submit](#) your blog about the past, present, or future of family medicine teaching.

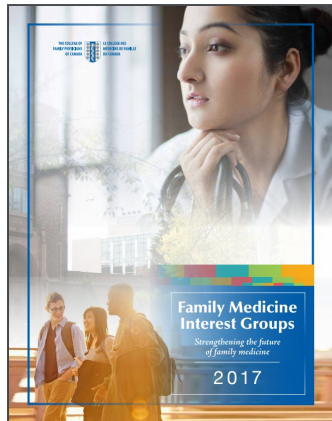

We are currently seeking incoming Chairs for two of our national committees:

- [Undergraduate Education](#)
- [Faculty Development Education](#)

If you have an interest and experience in these areas, please [contact us](#) for additional information.

Spotlight On: Family Medicine Interest Groups

Encourage your students to join your medical school's Family Medicine Interest Group (FMIG)!

FMIGs are groups run BY medical students FOR medical students and offer a variety of student activities to provide awareness and understanding of the opportunities, roles and responsibilities of family medicine.

[Visit the FMIG website page](#)
