The Awards of Recognition

There is still time to nominate a colleague for an Award of Recognition!

The ASA also hosted the ACFP's Annual General Meeting featuring the installation of ACFP's new president, Dr. Pat (Patricia) Smith and an award for excellence in family medicine. The Manitoba Chapter and its Board of Directors, look forward to presenting this symposium along with the College of Family Physicians of Canada.

Do you have a special story of your experiences in family medicine? Consider submitting your story for the AMS-Mimi Divinsky Awards for History and Family Medicine.

We'd like your feedback on the social media journey and would like to hear your comments about how we can improve. Medical marijuana is becoming a topic of conversation in the media. What do you think? Share your views with us.

In her new role, Dr. Eisener-Parsche's portfolio will include responsibility for the direction and leadership of family medicine certification examinations in Canada. Her strong expertise in family medicine practice, academics and progressive leadership has been clearly demonstrated through her work in curriculum review, implementation and development of health policy.

The Prevention in Hand (PiH) Initiative, Phase 2 User Acceptance Testing Group: Seeking Volunteers!

With a team of professional trainers and moderators, participants will actively take part in workshops relating to shoulder, knee, back or neck pains. Other News at the ACFP:

JACCAH is to ensure that children and adolescents receive the highest standard of medical care. To achieve this goal, these organizations have established a mandate to create a model in Manitoba aligned with the vision of the Patient's Medical Home.
