The Alberta College of Family Physicians is pleased to announce its latest online accreditation solution, GoMainpro. GoMainpro is an easy-to-use, web-based tool that allows physicians and other healthcare providers to manage their professional development activities and track their progress towards accreditation. This application allows you to log your learning activities, complete assessments, and view your progress in real-time.

Mark your calendars to join us in celebrating the Alberta College of Family Physician’s 60th ASA and the 60th anniversary of the ACFP! We will be hosting a virtual event to mark this milestone, so stay tuned for more details.

The CFPC also extends its sincere thanks to the 2013-2014 Board of Directors, committee chairs, and members for their tremendous engagement. We could not have achieved what we have without their hard work and dedication.
